Meeting Minutes Stacie sent the February meeting minutes on 2/20. All approved.

Treasurer's Report Stacie handed out for Janel.

Senior Banners Should we do them again?
Ventura gave a quote of \$60 each
Bill was \$1,800 for this year.
Estimate of 40 students.
Kirk motioned, Stacie second...no na's.
Versteeg will let Ventura know and they will get the students scheduled for pics.

HUDL Cameras Jake brought up during Oct meeting that the school would like 2 more cameras
1 for Aux Gym and 1 for Lawrence
Janel got quote from HUDL - each additional camera would be \$3K per year.
Need to vote - table until next month.

Rep Accounts Purchases made by school are tax exempt, coaches could order items through school and use Booster funds to help pay for it. As long as there is money in there Booster account they can make purchases through the school and an invoice would need to be provided to Janel for reimbursement. Any purchases over Booster account balance would need to be approved by Booster Reps.

Sign at Baseball Field During Oct meeting it was brought up that the Eich's have been taking care of it and would like to pass the torch to Boosters.
Needs repair - should we replace?
Trevor got a quote for replacement - \$20K for new - possibly give a discount or donate part for advertising.
With the new one we would be able to program at home, would be video and could be used for sponsors advertising.
Trevor has more details and will share at the next meeting.
Ask City of Canton if they would be willing to pitch in and in return we offer advertising?

Locker Room Remodel During the October meeting it was discussed that the girls locker room doesn't have a sticker on the window like the boy's does.
Versteeg said that Coach Degeest donated the boys locker room sticker - Fox Printing
2 needed for girls locker room
We voted that they need to be purchased. Kris said his prices are very reasonable and will get price from LP Graphics and Design in Canton.
Tabled until next month.

Trophy Cases During the October meeting Versteeg said we can have 2 of the doors of the Commons on the southeast side.
Trevor talked to Swanson and told him the Boosters will pay for the supplies.
Not sure on timing yet.
Deb Peterson has an old trophy case in her home and would like to give back to the school

Basketball Tourney Not happening this summer

Fundraising Options Jake mentioned that the Boosters could sponsor a game and keep the proceeds instead of having the tourney.
50/50 at home games
Golf Tournament - Wrestling is having theirs Aug 12
Chuck a Puck

Softball Field Rental Jake asked Boosters to cover field rental since the Canton fields were not ready for the season.
Softball has \$500 in their account and that can be used towards the rental.

Will school plan for this in the budget for next year? Jake said yes but not approved yet.

10 year lease

Fundraiser?

15 Passenger Bus - \$70-80K

Coaching Clinic - do we pay or is that in the \$500 we give them.

Stacie confirmed with Janel that it is included in the \$500 the Booster Club gives each sport.

At the recent AD conference Jake learned about Title 9 and wanted to share with us.

Sue for Title 9 litigation - if boosters buy for one sport specific item they need to buy for both or give funds for both

Gender issue - buy for boys, buy for girls or ensure both sports can use. Or list donation to school and not the sport.
