| Concessions | Menu changes discussed |
|  | Replace the pickles in a jar with pickles in a bag. |
|  | Paper sleeves instead of plastic trays for pretzels. Plastic cups with lids for cheese. |
|  | Airheads instead of laffy taffy |
|  | 2 flavors of Juice Stop freezies |
|  | Order more Subway - instead of 6 of each (turkey and ham) order 10 each. Netta will use discretion based on who we are playing. Tell Pizza Ranch to slice the large pizzas into 8 even slices. |
|  | Reviewed Prices - made changes |
|  | Stacie will discuss the above with Netta and send her an updated menu to post at concession stand. |
|  | Last month we discussed process for how concession money is handled. |
|  | Current Process (same for last 20 years): |
|  | Netta picks up the money at the treasurer's home (from a locked box) |
|  | Concession worker/Booster Rep collects money after closing, puts in a money bag and drops off at treasurer's home. |
|  | Treasurer takes out \$500 for next concession date and deposits remaining funds. |
|  | Embezzeling concerns arose with that process. |
|  | There was a vote to drop money off at the bank but this will need a re-vote once we discuss with Netta and the bank. |
|  | Brenda spoke with Nancy Bitterman at FB\&T. |
|  | Some possible ideas of using the bank as a drop off and pick up off the concession money. She said that they could put a key in the money bag so the night deposit box could be opened to deposit the larger money bag. She suggested that a deposit slip be filled out by the booster club rep with the amount of the deposit. It could be initialed by a second person if we want. The bank would confirm the amount and deposit in our checking account. |
|  | As for getting concession money, The booster club could have a standard order of denominations on file with the bank that they prepare after they get the deposit bag. She said the booster club can authorize anyone to pick it up even if not on the account. Therefore, we can see if Netta or some else from school would be willing to do this on home game days. |
|  | Stacie spoke with Netta to get her input. Netta cannot go get the concession money from the bank on game days. She also stated that she cannot think of anyone that would have the time to do it from the school. We discussed the option of the Booster Rep stopping at the bank to pick it up on their way to the school to open concessions. |
|  | Everyone agreed to the new process in BOLD above. |
|  | The bank would need a list of home games and booster reps, which Stacie can provide. |
|  | Since we have so many new booster reps, do we need to walk through the concession flow/set up? |
|  | Everyone agreed that this was a good idea and Stacie will get with Netta to schedule it and will let everyone know via text. |
| Vote for Officers | President - Stephanie Kroger was nominated and voted in. |
|  | Vice President - Emily Peterson was nominated and voted in. |
|  | Secretary - Nikki Rhode volunteered |
|  | Treasurer - Stacie Parsons |
| Venmo | During the July meeting, Trisha Richmond brought up booster club having a Venmo account. |
|  | She checked with Wresting Club (Bob Gard) and they are set up differently than the booster club. They are set up as a corporation. |
|  | $1 \%$ charge as business on every purchase |
|  | We all agreed to not open a Business Venmo account. |
| 50/50 Fundraiser | Emily passed around a volunteer sheet to work the 50/50 table at Volleyball and Basketball games. |
|  | 2 people needed for each event |
|  | 1 booster rep and 1 parent |
|  | Price of tickets - $1 / \$ 1$ or $6 / \$ 5$ |
