Due to the fact that this is a summer program, the children will be allowed to go to the city park under supervision and with parental permission to participate in the city rec program, soft ball and/or swimming lesson programs, BB Camps, VB Camps. You are responsible to register your child for such programs. Please have your child wear a baseball cap if involved in the city's ball program, in the effort to prevent the possibility of the spreading of lice from the baseball helmets. Additional swimming hours will be scheduled, weather permitting. We walk to these programs. Any transportation further needs to be arranged by parents.

Summer Supplies Needed:

-Sack lunch – M, T, TH, F (no glass containers)

-\$3.00 for lunch on Wed (Optional) see weekly Sign-up sheet

-Canton swimming pool membership

-One change of clothing to be left at Latchkey (all clothes must be labeled)

Outdoor Play: Latchkey programs include regular outdoor play time (weather permitting). We go outside for a minimum of 15 minutes a day all year long. We use discretion of temperatures and wind chills as well as the heat index and keep that in perspective. Please provide proper clothing for your child to be outdoors.

Sunscreen: During the summer we use sunscreen with a minimum Skin Protection Factor or SPF of 45. We ask each family to donate 2 large bottles to start out the summer. We may need to replenish or purchase more during the summer. All donations accepted. We apply sunscreen every time we go outside. We apply sunscreen at all pool breaks or every 45 minutes outside. Parents are asked to furnish at least 2 large bottles to the program however if a specific lotion is needed for a specific child only we ask that it be labeled with your name on it and that you will be notified when it is running low and you will need to replenish for your family. We ask that the "No ad" Label and Walgreens or Wal-Mart brand not be used as some children have reacted to these. We do allow spray on lotions but they are applied only outside due to harmful fumes and slippery floors.

Swimming Lessons/ Sports Camps:

You may enroll your child in swimming lessons at the Canton pool while attending the summer program. Please coordinate your lesson schedule with the summer Site Coordinator. We do not allow students to wear flip flops at Latchkey. Please see they have sandals with a heel strap. We require parents to purchase a pool pass for their child(ren), as we go to the pool frequently throughout the summer. You may enroll your child in school sports camps and if it's within walking distance of us, we will see they get there and return with us. We do not let children attend on their own; we go as a group.

Changes in Schedules:

Our primary goal at Latchkey is to keep your children safe.

That means we **MUST KNOW WHERE EVERY CHILD IS EVERY DAY.**

- If your child will not be attending Latchkey on a particular day, please **call or send a dated note** stating the change to the. It is the parent's responsibility to notify the Latchkey staff with any changes!
- In the event of a last minute, unexpected absence from Latchkey, please call the site. When a child is expected at Latchkey, but does not arrive, the staff then needs to track down your child.

Fees for Failure to Notify & Late Pick-up:

Accounting for absent children does take staff time away from the other children in Latchkey. In order to assure the safety of all children, we have implemented a **Failure to Notify Fee** and a **Late Pick-up Fee**. If your child is absent from Latchkey or you arrive late to pick up your child and you have failed to notify the staff, we will implement the following fees:

- 1st time = \$10 charge
- 2nd time = \$20 charge
- 3rd time = removal from the program

Schedules are used to create rolls. If your schedules changes and your child is not going to attend you must contact the site director or site supervisor prior to 2:30pm. If your child does not report to Latchkey our staff first check with the office, then with the teacher then a call is made to the parent. This is to ensure the safety of your children. If we take time away to locate your child it takes time away from the program and other children. This procedure does not apply to children being dropped off for am Latchkey or Summer Latchkey as parents are required to sign their child in.

Illness:

For the protection of all the children at all Latchkey programs, your child must be kept home if the child develops any of the following symptoms:

- An auxiliary temperature (under the arm) of over 100 degrees
- An intestinal disturbance with diarrhea or vomiting
- An undiagnosed rash
- Red, swollen or draining eyes or ears

If your child develops any of these symptoms while attending Latchkey programs, your child will be isolated from the other children and you will be contacted to pick up the child. We ask that you arrange to have your child picked up **within one hour** from the time of being notified.

If your child contacts a communicable disease such as chicken pox, measles, etc. you must inform the site Coordinator immediately. Contagious diseases will be reported to the Department of Health (licensing requirement). Your child may not attend until they are over the disease or the disease is no longer contagious. If your child is exposed to communicable disease while at the program, you will be notified. Children's immunization records will be kept on site in the files of the Canton School District nurse.

Emergencies:

Health- Notification-Is the school district policy to provide emergency healthcare for the students if necessary during their attendance and to release information requested in connection with provision of such care. Responsibility for payment of these services are that of the parent. You have a consent form in your packet.

The site supervisor will take whatever steps necessary to obtain emergency medical care for your child if required.

These steps may include, but are not limited to:

-Attempting to contact the parent/ guardian.

-Attempting to contact the child's physician.

-Attempting to contact persons listed by you on your enrollment form as emergency contact personnel. If we are unable to contact you or your child's physician, we may do any or all of the following:

-Call another physician, paramedic or ambulance.

-Take the child to the clinic/hospital in the company of a staff member.

-An incident report will be filed and the parent/guardian will receive a copy.

Parents will be responsible for any expense incurred if we must take any of the above actions are posted and quarterly drills are practiced. In the event of an actual emergency, staff are trained to evacuate as quickly and safe as possible. Everyone evacuates to the east doors to the playground edge. Roll call is taken and we wait for the "all clear". Parents will be contacted for immediate pick up. Contact would be made by email or phone call.

Tornado-Severe Weather- Evacuation plans are posted and bi-annual drills will be practiced. In the event of an actual emergency, parents will be contacted for immediate pick up. Staff are trained in the event of a tornado and the safety of the children and staff come first. We gather in the hall with our heads between our knees, take roll call and wait for the all clear. Contact would be by email or phone call.

Prevention and Response to allergic Reactions: Any children in our program that have peanut allergies always sit together on one end of the table. Cold lunch students are seated at a separate table.

If a child's allergy requires an Epi-pen, the parents and their physician fill out the Medication form. Any other medications that the child may need (Benadryl, allergy meds, eye drops etc.) will also be listed on a medication form. These medications and Epi-pen are kept in a water proof case locked in the kitchen where children are not allowed. All staff is instructed on where to find them and the use and dispensing of each medication if allowed. This is part of staff training is how to use an epi pen and allergic reactions in First aid training. Emergency cases with stored Epi-pens are located in each class area hallway.

Any child that has a life-threatening, debilitating dietary restriction/allergy should have a Special Diet form filled out and signed by a physician. Latchkey is not required to find a food substitute for their meals or snacks. A menu is provided to the parents so they can send a cold lunch on the any full day of programming.

Medications and MEDICATION PROCEDURES

The following criteria must be met in order for medication and/or treatments to be supervised at Latchkey.. Medications will not be administered until the following criteria are in place at Latchkey. If the criteria are not in place prior to the administration of the medication the parent/guardian will be notified and will be responsible to administer the medication. Administered Medications will be documented, by the dose, time given and date administered by Latchkey Staff. Staff will keep record of administering meds and sign off when given to said child. These meds will be kept in the kitchen above the refrigerator in a locked box.

1. A completed "Request and Authorization for Medication/Treatment" form shall be signed by both the physician and parent/guardian and submitted to the Latchkey Director. These forms can be obtained at the school office or from the Director/ Site Coordinator.

2. District policy and rules state that a student's parent/guardian shall transport medication to and from school, not the student. Parents/guardians must bring the medication to the school office in a bottle labeled by the pharmacy to include:

- a. Student's Name
- b. Medication Name and Strength
- c. Physician's Name
- d. Dosage and Time of Administration of Medication.

Medications Continued:

Children will only be allowed to leave with persons other than their parent if permission is given in writing by the parent to the site Supervisor or Director. The permission form will have the person listed as to pick up child, name of child they are picking up and the time and date of pick up with his/her parent signature. In the event of an emergency a phone call from the parent will be accepted.

Behavior & Discipline:

This booklet does not include every situation that may possibly arise during the day at Latchkey. If any situation not specifically covered should arise, the administration will make every effort to act fairly and quickly. The best interest of the student, program, community and school will be greatly considered. Each situation is different and will be handled on an individual basis. It is sincerely hoped that each student will have a successful and enjoyable time while at our program. Take time to know the rules, regulations and expectations that each student is expected to follow and many of the little problems can be avoided. If students in our program have questions or problems that arise please visit with the site coordinator or the Director to best help the situation.

All children participating in the Latchkey programs must sign a behavior/discipline agreement. The following guidelines will be adhered to:

- Peers will not administer discipline.
- Children will never be placed in an environment that would be harmful or dangerous to the child's physical or emotional health.
- There will be **no** use of humiliating or frightening punishments such as withholding or forcing snacks or meals; use of substances such as soap, pepper, or hot pepper as punishment; hitting, pinching, shaking, spanking, or inflicting corporal punishment; restriction of movement by binding or enclosing in a confined space; or verbal abuse, threats, or derogatory remarks about any child or child's family.

Please cooperate with us in stressing the importance of good behavior patterns with your child. We want to keep Latchkey fun as well as enriching.

- Other behaviors deemed inappropriate by Latchkey staff

Parents need to follow these rules as well. Services will be terminated immediately for parents who demonstrate a pattern of abusive language and/or inappropriate scenes or disturbances to children, staff or other adults.

Discipline: Every effort will be made to modify inappropriate behavior by using time-out procedures, talking with the child about his/her behavior, as well as parent communication and involvement. We will redirect the child's attention away from the cause of the problem, or we will use the time out method or the child may lose a privilege, (recess, computer time, special games or activities etc. to discipline the child. The time out method of discipline informs the child that his/her behavior is not acceptable and requires that the child be separated from the rest of the group to sit quietly for a specific time. When the said time period is over, the child is allowed to return to the group activity. When a privilege is taken away from the student, they will sit out during the entire activity. All children must be treated equally and given the same type of discipline. The staff will encourage the child's positive behavior by praising the child at each available opportunity.

Suspension/Expulsion

In the event that these methods are no longer effective, the Site Coordinator and/or Community Education Director maintain the right to suspend any student that exhibits disruptive or inappropriate behavior on a regular basis which interferes with the quality and/or process of the child care program. If an incident occurs at any Latchkey program involving a staff member, the Latchkey Director will take such steps as considered necessary to insure that no further incidents occur, pending the outcome of an investigation into the incident. A serious disciplinary problem is defined as one in which the child is hampering the day-to-day operation of the program by requiring constant one-on-one attention, inflicting physical or emotional harm on other children, abusing the staff, or demonstrating the inability to conform to the rules and guidelines of the program.

5. Once there, we will kneel in the hall ducking our heads and covering them.
6. We will remain there until the threat is over.

Lockdown: Practice Drill 2 times per year In the event of an intruder at Latchkey, staff are trained to handle the situation in a most timely manner. Located in each room are BLUE Panic Emergency Boxes. These boxes are mounted on the wall and have an emergency call button inside. By pushing the button the Police, Emt's and Fire Department are all notified of an emergency. Help should arrive within 5 minutes. Staff are trained to keep a calm atmosphere and get children to a safe locked room immediately. Lock down procedure packets are located in each room next to each door. Instruction cards are in the packet.

Notice –The school district handbook and policies supercede all Latchkey policies

LATE PICKUP

The program closes at 6:00 PM and will enforce a per child late fee of \$15.00 for the first 15 minutes and \$1 per minute after that. This must be paid before the child may participate in the program again. At 6:15 PM the staff will contact the persons(s) designated on the emergency sheet to arrange for pick up. If the staff cannot reach any the emergency contacts, or we have not been notified by 6:30 PM, the Canton Police Department will be called.

Continued disregard of the 6:00 PM closing time will result in the denial of further services. Please make arrangements and notify staff for someone else to pick up your child if you will be late. Please pick up your child by the scheduled time, as they expect you and worry if you are late.

ACCIDENTS (From the District Handbook)

All accidents occurring during the school day (LATCHKEY day) are to be reported to the Director immediately. If there should be an accident during the school day or at a school activity every effort will be made to see that the student receives proper medical care. Parent(s)/Guardian(s) will be notified.

Accident and Dental Insurance (From the District Handbook)

At the beginning of each school year, every student is provided with forms concerning accidents and dental insurance. These forms are sent home to the parent(s)/guardian(s) who may or may not opt to subscribe. *The school does not provide insurance.* The forms are simply distributed by the school. Policies offered are limited pay policies and are not major medical policies. Limitations are placed on many types of injuries. Students and parent(s)/guardian(s) should make certain they understand what is and is not covered in the policy before subscribing for the insurance.
