Old Business:

Discussion of replacements for board members for the 2017-2018 school year; thought of people that we could reach out to for vacant seats.

Johnathan had begun a document for the new board that includes pertinent info about the different activities, concession pay, etc. that they'll come across throughout the school year.....we added to the list.

New Business:

Summer workout program: Mr. Smart informed us that the main emphasis would be the younger athletes: incoming 5th & 6th graders and 7th & 8th graders and be approx. 17 sessions. A coach and athletes will be there to help assist these students. No t-shirts this year; but booster club will still assist with 1/3 of the cost.

Kick-Off: Mr. Smart gave update on thoughts/ideas for kick-off.....national guard would be willing to do pancake feed in am prior to football scrimmage, can have bouncies set up for kids, Smart will talk to coaches about the event. Thoughts on a golf tourney in afternoon---Smart checked on and course is booked every weekend in August; so maybe get date set and book for following year.

Next Meeting: **Tuesday, June 13th** 8pm HS Library.

Meeting adjourned: Erica/Kendra
