Fundraising- January fundraiser. Jan 19, 2018 - update

Kristin is still waiting on a bill from Pat M for the food from Hog Wild. A Big Thank You to the Booster Club for the Awesome Team Work for the fundraiser event. Overall, the fundraiser went smoothly. A suggestion for the 2019 Fundraiser would be to split out the Food and the Fundraising committees. It was also suggested that we not set up clothing sales during the January Fundraiser. We had great comments on the food as well as the raffle items.

Items of discussion-

During the games the Donor board would start at the top of the donors each time That it restarts. This was not allowing the following digital donors to be shown.

Need to update the Donor sheet that hangs by the concession stand

Val will bring Thank You notes to the March meeting for all to sign and send out to donors.

Scoreboard Discussion- No new updates

New Business:

Weight room- Scott Larsen from Sanford bringing proposals for weight room updates. Estimates on file. The school would look at reallocating coach contracts- implement/allocate a supervisor to open and close the weight room. It has been suggested a 50/50 split with the Booster Club. Additional fundraising idea presented is an Alumni Basketball game held during Car Show week (Brad Beyke to share ideas). This will be present once presented to the school board. Topic to be revisited in future meeting.

Concessions for March 10th Basketball - Quiz Bowl will help with concessions. Shifts 10-12 Kristin and Sarah. 12-2 Joanne and Debbie. 2-4 Dawn. 3:30-close Lynn and Val. Barb will help as needed.
