Wednesday, July 29, 2015

Present: Leah Peterson, Val Harris, Michelle Ingebritson, Barb Fossum, Johnathon Toso, Tanya Iverson

~Tanya gave treasure report; this didn't include the BFS, this will be included on next report.

### ~Discussion of Kick-off

Meal:

Pat Minihan: will provide the pork sandwich & beans

Sunshine: chips, hotdogs & buns \*\*we'll use the new hot dog machine\*\*

FSB: paper products

Pop: we'll use the Coke fountain pop that is used for the Souper supper

Tables: Barb is going to take care of the tables and tent and getting those set up for us.

-will need table for Booster Club registration, sidewalk painting sign-up, clothing, and one for each sport.

Tub with decoration, etc is in the backroom of Netta's copy area

~Tanya let us know that Farmers State Bank will provide the popcorn supplies as they did last year for the concession stand.

~We had discussion about having one signature on the checks that are written out for bills, etc. It was decided that two signatures will need to be on every check and the check needs to be made out before both signatures are put on the checks.

~We'll be getting a Sign-up genie out so that we can get volunteers to help get things set up for the kick-off.

~Johnathon showed us an idea he's working on with a new look to the school activity programs rather than the copies that are handed out at each event. Will discuss more later when more members are present.

Next Meeting will be August 12<sup>th</sup> and we'll finalize details of the kickoff, make some posters to have at each of the coaches tables, etc. and see what else needs to be done.
