

Booster Club Meeting-6/28 8pm

Discuss calendar dates

Present: Eric Smart, Val Harris, Barb Fossum, Kendra Sheidt, Leah Peterson, Michelle Ingebritson, Dallas Renli, Joanne Szarmach, Lisa Bentley

August 21st is the date set for the Kickoff. Will be held at the Canton High School from 6-8p in parking lot. In looking at what we'd like to do to get more people in attendance as over the past few years it's dropped. Was brought up that the coaches don't seem to be that excited when giving their speeches in the past and didn't always offer a lot of information...."What's the point of having the kickoff? " Was decided that we're working towards a family fun event and try to bring more members in.

- we'll get the tents set up (Bernie Rock has these)
- have food catered in from a local business
- bouncy inflatables brought in for the kids
- individual booths for each sport so parents and socialize with the coaches if they wish to
- booth for memberships and sign up for the sidewalk/driveway painting that will be done this year
- booth for clothing
- will discuss in more detail at the July 15th meeting

August 22nd will be the FB scrimmage

August 19th booster club meeting will be moved up to August 12th so that we can discuss last minute details about the kickoff and the 19th is the first day of school.

January 22nd will be Pasta Night: C-Hawk Pastabilities

-Every other year, the teams we'll be hosting are Beresford & Irene-Wakonda. When playing Beresford; CBA will play with games beginning at 4p & when hosting Irene-Wakonda, there will not be any C games; so JV will begin at 430p.

- will have committees consisting of: raffle items/food/decorating/tear down
- CEA Association will organize the games
