- In your care under a foster arrangement, or qualify as homeless, migrant, or runaway youth;
- Students attending Canton School District, *regardless of age*.

A) List each child's name. For each child, print their first name, middle initial and last name. Use one line of the application for each child. If there are more children present than lines on the application, attach a second piece of paper with all required information for the additional children.

B) How old is the child? Is the child a student? What school/center does the child attend? Fill in the information for the center or school to use.

C) Do you have any foster children? If any children listed are foster children, mark the "Foster Child" box next to the child's name. **Foster children who live with you may count as members of your household and should be listed on your application.** If you are *only* applying for foster children, after completing STEP 1, skip to STEP 4 of the application and these instructions. If you are applying for both foster and non-foster children, go to step 3.

D) Are any children homeless, migrant, or runaway? If you believe any child listed in this section may meet this description, please mark the "Homeless, Migrant, and Runaway" box next to the child's name and **complete all steps of the application.**

STEP 2: DO ANY HOUSEHOLD MEMBERS (INCLUDING YOU) CURRENTLY PARTICIPATE IN SNAP, TANF, OR FDPIR?

If anyone in your household participates in the assistance programs listed below, your children are eligible for free school meals:

- The Supplemental Nutrition Assistance Program (SNAP)
- Temporary Assistance for Needy Families (TANF)
- The Food Distribution Program on Indian Reservations (FDPIR)

A) IF NO ONE IN YOUR HOUSEHOLD PARTICIPATES IN ANY OF THE ABOVE LISTED PROGRAMS:

- Leave STEP 2 blank and go to STEP 3.

B) IF ANYONE IN YOUR HOUSEHOLD PARTICIPATES IN ANY OF THE ABOVE LISTED PROGRAMS:

- Write a case number for SNAP, TANF, or FDPIR. You only need to write **one** case number. If you participate in one of these programs and do not know your case number, contact your local assistance office. You **must** provide a case number on your application.
- Go to STEP 4.

STEP 3: REPORT INCOME FOR ALL HOUSEHOLD MEMBERS

A) Use the charts titled "Sources of Income for Adults" and "Sources of Income for Children," printed on the back side of the application form to determine if your household has income to report.

REPORT INCOME EARNED BY CHILDREN		
<ul style="list-style-type: none"> Report all income earned or received by children. Report the combined gross income for ALL children listed in STEP 1 in your household in the box marked "Child Income." Only count foster children's income if you are applying for them together with the rest of your household. What is Child Income? Child income is money received from outside your household that is paid DIRECTLY to your children. Many households do not have any child income. 		
REPORT INCOME EARNED BY ADULTS		
<p>Who should I list here?</p> <ul style="list-style-type: none"> When filling out this section, please include ALL adult members in your household who are living with you and share income and expenses, <u>even if they are not related and even if they do not receive income of their own.</u> Do NOT include: <ul style="list-style-type: none"> People who live with you but are not supported by your household's income AND do not contribute income to your household. Infants, Children and students already listed in STEP 1. 		
<p>a) List adult household members' names. Print the name of each household member in the boxes marked "Names of Adult Household Members (First and Last)." <u>Do not list any household members you listed in STEP 1.</u> If a child listed in STEP 1 has income, follow the instructions in STEP 3, part A.</p>	<p>b) Report earnings from work. This is calculated by subtracting the total operating expenses of your business from its gross receipts or revenue.</p>	<p>c) Report income from public assistance/child support/alimony. Report all income that applies in the "Public Assistance/Child Support/Alimony" field on the application. <u>Do not report the cash value of any public assistance benefits NOT listed on the chart.</u> If income is received from child support or alimony, only report court-ordered payments. Informal but regular payments should be reported as "other" income in the next part.</p>
<p>d) Report income from pensions/retirement/all other income. Report all income that applies in the "Pensions/Retirement/ All Other Income" field on the application.</p>	<p>e) Report total household size. An adult household member must enter the last four digits of their Social Security Number in the space provided. You are eligible to apply for benefits even if you do not have a Social Security Number. If no adult household members have a Social Security Number, leave this space blank and mark the box to the right labeled "Check if no SSN."</p>

B) Report all amounts in **GROSS INCOME ONLY**. Report all income in whole dollars. Do not include cents.

- Gross income is the total income received before taxes
- Many people think of income as the amount they "take home" and not the total, "gross" amount. Make sure that the income you report on this application has NOT been reduced to pay for taxes, insurance premiums, or any other amounts taken from your pay.

C) Write a "0" in any fields where there is no income to report. Any income fields left empty or blank will also be counted as a zero. If you write '0' or leave any fields blank, you are certifying (promising) that there is no income to report. If local officials suspect that your household income was reported incorrectly, your application will be investigated.

D) Mark how often each type of income is received using the check boxes to the right of each field.

What if I am self-employed?

If you are self-employed, report income from that work as a net amount. This is calculated by subtracting the total operating expenses of your business from its gross receipts or revenue.

To figure monthly income for farm/self-employed: The information to figure income from private business operation is to be taken from your U.S. Individual Income Tax Return – Form 1040. Write the numbers from the corresponding tax form lines in the spaces below. Write it on the application in the earnings column as yearly. If it is a negative number, write it as zero on the application. All other income on lines 7 through 22 of the tax form must be listed separately for the person who earned it. This number **MUST** be equal to the number of household members listed in STEP 1 and STEP 3. If there are any members of your household that you have not listed on the application, go back and add them. It is very important to list all household members, as the size of your household determines your income cutoff for free and reduced price meals.

H) Provide the last four digits of your Social Security Number. The household's primary wage earner or another adult household member must enter the last four digits of their Social Security Number in the space provided. You are eligible to apply for benefits even if you do not have a Social Security Number.
